

GRE A specializes in Real Estate Mergers & Acquisitions (transaction support in the acquisition and sale of real estate/portfolios in the form of asset and share deals), Real Estate Equity Advisory (advice on real estate-specific capital market issues) and Real Estate Debt Advisory & Management (advice and support in real estate financing issues).

Our team has many years of real estate transaction experience with a cumulative deal volume in the double-digit billion-euro range. With offices in Frankfurt am Main, Vienna and Hong Kong, we see ourselves as a contact for cross-border investments by foreign investors.

For the GRE A office in Frankfurt am Main, we are looking for an intern for minimum 4 months, ideally 6 months:

Intern (m/w/d) Real Estate Investment Banking

As a company with a focus on the real estate sector, GRE A offers the following advantages:

- Challenging work in an expanding and dynamic working environment with direct interaction with experienced and highly motivated corporate finance professionals in Germany, Luxembourg and Asia
- Continuous support from an assigned mentor
- Modern workplace with excellent (transport) infrastructure connections
- Extensive opportunities for independent work and personal development

As an Intern you will take on the following tasks:

- Supporting the team in the initiation and execution of real estate transactions, especially in the areas of mergers & acquisitions, equity and debt advisory
- Preparation of market, competition and company analyses
- Assistance in the preparation of company and real estate valuations as well as in due diligence processes
- Drafting of approach documents (NDA, teaser, investment memorandum, etc.) and presentations
- Addressing potential investors or capital providers

You have the following qualifications:

- Above-average completion of an orientation phase in economics or a comparable degree programme, ideally with a focus on banking and/or real estate
- Preferably, initial transaction experience in the real estate sector (corporate finance, auditing, management consulting)
- Previous experience in carrying out company valuations, balance sheet, market and competition analyses
- Strong analytical skills, above-average commitment and high team orientation
- Excellent Microsoft Office skills (especially in Excel & PowerPoint)
- Business fluent in German and English

Please send your complete application documents with details of your availability to:
